

Associate of Science Degree

University Parallel Program

Emphasis: Supply Chain Management

PROGRAM DESCRIPTION

The university parallel program in Supply Chain Management is designed for individuals who intend transfer to a four-year college or university to complete the bachelor's degree with a major in Supply Chain Management. The curriculum includes general education and other selected courses typically required in a baccalaureate degree program in Supply Chain Management.

PROGRAM TRANSFERABILITY

This program was designed as a Tennessee Transfer Pathway to UT/TBR four-year universities in compliance with Complete College Tennessee Act of 2010. Programs with this designation are intended to provide a seamless transfer between all schools in the Tennessee Board of Regents or University of Tennessee systems. Therefore, students completing this program should expect a seamless transfer to any public university in Tennessee. The program may also transfer to private colleges.

APPLICATION PROCEDURE

A student desiring to enroll in the Associate of Science degree program must:

1. Submit the Northeast State Application for Admission to the Office of Admissions and Records.
2. Indicate University Parallel-Associate of Science degree program in Supply Chain Management as the desired program on the Northeast State application form.
3. See a faculty advisor in the Business Technologies Division prior to registering for classes.
